1. Players may sign up in the Poker Room by paying \$120, beginning on the Thursday prior to the tournament, during regular Poker Room hours.
2. From each buy-in, \$100 will go to the prize pool, \$16 to administration fee and \$4 to dealer appreciation.
3. Each player will receive \$5,000 in tournament chips for their buy-in.
4. This will be a Tri-Monthly Points event.
5. Late entries or re-entries will be allowed up until thirty minutes after the start of the tournament, unless those seats have been filled. To retain equal position between players' who buy-in at the start of the tournament and late entries or re-entries, empty positions will be given \$5,000 in tournaments chips, dealt in and have blinds collected.
6. Each round will last twenty-five (25) minutes.
7. At the first break, all green chips will be colored up. Players with any odd green chips will receive one card per chip. The player receiving the highest card, with ace being high, will receive one black tournament chip. The process will continue with the player receiving the second highest card until the value equal to all of the odd green chips are distributed in black tournament chips. However, no player may receive more than one black tournament chip during this process and no player shall be eliminated from play. At the end of level ten, the same process will be followed when coloring up from black to blue.
8. As players go out, empty seats may be filled from other tables to keep the same number of players at each table. Players will be moved from the big blind to the next open seat to get the big blind.
9. Final table will result when ten players remain; each player will draw a random seat and the button will be redrawn.
10. If two or more players who finish in the money go all-in during the same hand, the player with the most chips at the start of the hand will finish higher.
11. By participating in the tournament, all players agree to abide by the rules and conduct themselves in a courteous manner. Players, whether in the hand or not, may not discuss the hands until the action is complete. Players are obligated to protect the other players in

the tournament at all times. Discussing cards discarded or hand possibilities are not allowed. A violator will face the following three steps:

- 1) Verbal warning
- 2) 10-minute suspension from play
- 3) Disqualification

Chips from a disqualified participant will be removed from play.

12. Unless otherwise specified, Catfish Bend Casinos II, LLC standard rules of No Limit Texas Hold'em will apply.
13. The Tournament Official's decisions will be final.
